

## Don't Go to Strangers

Andy Williams

Build your dreams to the stars above  
When you need someone true to love  
Don't go to strangers, darling  
Come to me

Play with fire till your fingers burn  
When there's no place for you to turn  
Don't go to strangers, darling  
Come to me

For when you hear a call  
To follow your heart  
You'll follow your heart, I know  
I've been through it all  
For I'm an old hand  
And I'll understand if you go

So make your mark for your friends to see  
But when you need more than company  
Don't go to strangers, darling  
Come to me

So make your mark for your friends to see  
But when you need more than company  
Don't go to strangers, darling  
Come to me
