

It Doesn't Take Very Long

Andy Williams

It doesn't take very long to fall in love
It doesn't take very long to fall in love
How long does it take to find bliss?
How long does it take for a kiss?
Well as long as it takes to fall in love

It doesn't take very long to hear love bells ring
It doesn't take very long to get your heart to sing
Just hold me close to your heart
Oh baby, nothing can tear us apart
It doesn't take very long to fall in love

Now you're free and foolish with a happy heart
And some sweet gal comes and upsets your apple cart
And then you know it doesn't take very long to fall in love
It doesn't take very long to fall in love

When it happens you're bound to show it
And it'll happen before you know it
It doesn't take very long to fall in love

Now you're free and foolish with a happy heart
Then some sweet gal comes and upsets your apple cart
And then you know it doesn't take very long to fall in love
It doesn't take very long to fall in love

When it happens you're bound to show it
And it'll happen before you know it
It doesn't take very long
It doesn't take very long
It doesn't take very long to fall in love
