

My Christmas Vow (This Is My Promise)

Andy Williams

This is my promise
My Christmas vow
I will always love you
As I love you now
You will be part
Of every heartbeat
And you will share
My every prayer

Eternally
You'll always be
My heart and soul
Eternally
This is my promise
My sacred promise
This is my promise
My Christmas vow

Eternally
You will be
The one and only love
For me
