

# My Coloring Book

Andy Williams

For those who fancy coloring books  
And lots of people do  
Here's a new one for you  
A most unusual coloring book  
The kind you never see  
Crayons ready, very well  
Begin to color me

These are the eyes that watched her  
As she walked away  
Color them gray  
This is the heart that thought  
She would always be true  
Color it blue

These are the arms that held her  
And touched her then lost her somehow  
Color them empty now

These are the tie I wore  
Until he came between  
Color it green

This is the room I sleep in  
I walk in and weep in  
And hide in that nobody sees  
Color it lonely, please  
This is the girl  
Whose love I depended upon  
Color her gone...
