

Walk Right Back

Andy Williams

I want you to tell me
Why you walked out on me
I'm so lonesome every day
I want you to know
That since you walked out on me
Nothing seems to be the same old way

Think about the love that burns
Within my heart for you
The good times we had
Before you went away

Walk right back to me this minute
Bring your love to me
Don't send it
I'm so lonesome every day

These eyes of mine
That gave you loving glances once before
Changed to shades of cloudy gray
I want so very much to see you
Just like before
I've gotta know you're coming back to stay

Please believe me when I say
It's great to hear from you
There's a lotta things
A letter just can't say

Walk right back to me this minute
Bring your love to me
Don't send it
I'm so lonesome every day

Think about the love that burns
Within my heart for you
The good times we had
Before you went away

Walk right back to me this minute
Bring your love to me
Don't send it
I'm so lonesome every day

I'm so lonesome
I'm so lonesome
I'm so lonesome every day
