King Oblivion

Anekdoten

The seven trumpets call
Locusts fall
Darkening the sky and sun
The serpent's head will rise
from the depths
From the corners of your mind
Ever wondered why?

What's another lie
In a dark forest of denial?
What's another drop
In a deep and diluted sea of compromise?

The horsemen gather 'round Line by line Waiting for the chosen one No heads hang in shame All as one Bow to King Oblivion Oh, it makes me cry

What's another lie
In a forest of denial?
What's another drop
In a deep and diluted sea of compromise?
