

You're a creep

Aneta Langerová

D **A**
I know it's really late but

D **A2**
I had to call you

Hmi **A** **D** **A**
Something that I've gotta say

D **A** **D** **A2**
Saw you at the movies with your new trophy

Hmi **A** **D**
I can't believe it's been just a day

A **Hmi** **G** **A**
Since we were holding each other now
G
I know

D **G** **A**
You're a creep

D **G** **A**
And I wish that I'd never met you

D **G** **A**
You're a creep

Hmi **A** **G**
Just a scurvy little dog in the street

Hmi
You're a creep

I know it sounds crazy, but I thought that maybe
All we needed was time
But it seems you recovered with your new lover
Cause everything we had was a lie

You said you'd die without me, but you're still
Alive

You're a creep
And I wish that I'd never met you
You're a creep
Just a scurvy little dog in the street
You're a creep, yeah, yeah
You're a creep, yeah, yeah

Can't believe that I gave you the best of me
But, baby, now it's your turn to hurt
Hurt, you know how to hurt

You're a creep
And I wish that I'd never met you
You're a creep
Just a scurvy little dog in the street
You're a creep
And I wish that I'd never met you
You're a creep
Just a scurvy little dog in the street

I know it's really late, but I should be going
But I just wanted to say

You're a creep
