That's where I was born fuck what you on  
All about me bitch fuck what you doin'  
Round of applause bitches slap me with some clappin  
Show my whole fucking ass like a fat bitch in chaps  
But I'll be running that shit like a motherfuckin' tracker  
Like a run-on sense like a motherfuckin' chopper  
Like a cheetah in the jungle but I'm motherfucking faster  
Like a pre-teen boy in the church with a pastor  
Hold up I'm not serious I'm just playin – psych!  
Fuck your opinion bitch I mean it when I'm sayin that

Money and more money is the only shit I'm after  
You can cut the fake shit  
I'm not a motherfuckin' actor

My tongue is the fucking rapture, bitch  
I be at my peak, I am not the one to be mastered  
I'm the one to be after, I'm sweeping you while I'm dusting  
I just popped up out the blue, I'm spontaneously combusting  
Spit a little different, give me just a minute  
Beat the beat down bitch, fresh it then I kill it  
We are not the same but they don't really get it  
Tell 'em do the math, hoe-fraction, division

Sick flow sick ho, drop me in the clinic  
Eat 'em 'til the end 'til they back at the beginning  
Cause I ki-ki-ki-kill it 'til it's flat dead  
And never pass a rock like a motherfucking crackhead
