

# Selfish Kinda Lover

Angel Taylor

Woke up on the wrong side of your bed  
Can't even find my keys  
I'm about to walk home  
Yeah I know it's so wrong of me

To not remember last night  
Or the ride here  
Or how I got to sleep  
Tell me why I do this  
So consistently

Well, I must've been  
Blowin' kisses, blowin' kisses at you  
I know it ain't right but its what I wanna do  
Blowin' kisses, blowin' kisses at you  
I know it's not right

But you can't change the truth under the covers  
I'm a selfish kinda lover  
I'm a selfish kinda lover  
And I hate myself 'cause I just don't got no structure  
I'm a selfish kinda lover  
I'm a selfish kind

Woke up feeling guilty  
And empty  
A dark hole in my chest  
Kinda like a heartbreak with no apologies

I'm afraid of commitment  
And the minutes  
That eat up all my time  
And I can't swallow my pride  
What's wrong with me?

Well, I must've been  
Blowin' kisses, blowin' kisses at you  
Try to play it off like a sweet taboo  
Blowin' kisses, blowin' kisses at you  
I know it ain't right

But you can't change the truth under the covers  
I'm a selfish kinda lover  
I'm a selfish kinda lover  
And I hate myself 'cause I just don't got no structure  
I'm a selfish kinda lover  
I'm a selfish kind

Sometimes I resent me  
But most nights I don't even mind  
Idle mind

But I can't fight the feeling  
It's who I am won't apologize  
Won't apologize

Cause you can't change the truth under the covers

I'm a selfish kinda lover  
I'm a selfish kind  
And I hate myself 'cause I just don't got no structure  
I'm a selfish kinda lover  
I'm a selfish kind

No and you can't change the truth under the covers  
I'm a selfish kinda lover  
I'm a selfish kind  
And I hate myself 'cause I just don't got no structure  
I'm a selfish kinda lover  
I'm a selfish kind  
I am
