

(I'll Drink To This) Love Song

Angry Samoans

Well, I don't cry, you no longer love me
'Cause I'm inside, there's four walls above me
Well, life's a joke and you are the punchline
Well, I should know, you tell me, I've wasted your time

Come on, ah ah ah ah ah, ah ah ah ah ah
Without you here, I'll never stay so long
So pass one more beer, I drink to this love song
And I don't care

So come on, ah ah ah ah ah
Ah ah, I drink to this love song
