R: And the boys go on and on and on and on

and the boys go on and on and on and on

and there's gold falling from the ceiling of this world

falling from the heartbeat of this girl

falling from the things we should have learned

falling from the things we could have heard

2. Well it's been days now

and you change your mind again

all the cracks in the walls reminds you of things we said

and I could tell you that I won't hurt you this time

but it's just safer to keep you in this heart of mine

R: And the boys go on... (2x)

Falling from the people that we heard

falling from the love we never earned

falling from the sky that should have burned

falling from my heart
