

For You

Angus & Julia Stone

If I talk real slowly, if I try real hard
To make my point dear, that you have my heart
Here I go, I'll tell you what you already know
Here I go, I'll tell you what you already know

If you love me with all of your heart
If you love me
I'll make you a star in my universe
You'll never have to go to work
You'll spend every day
Shining your light my way

If I talk real slowly, if I hold your hand
If you look real closely my love
You might understand
Here I go, I'll tell you what you already know
Here I go, I'll tell you what you already know

If you love me with all that you are
If you love me
I'll make you a star in my universe
You'll never have to go to work
You'll spend every day
Shining your light my way

Here I go, I'll tell you what you already know
Here I go, I'll tell you what you already know

If you love me with all of your heart
If you love me
I'll make you a star in my universe
You'll never have to go to work
You'll spend every day
Shining your light my way
