

Heart Beats Slow

Angus & Julia Stone

Well I heard you were
You were lying
About how brave you are
Well I heard you were
You were still trying
Trying to get back to the start

No, he won't let it into the kitchen
No, he won't let it into the house
No, he won't let it through the front door
'Cause it's burning her pretty little heart

I'm gonna miss you
Gonna miss you, girl
And all of the things we could've done

You said I move so fast
That you can hardly see
You said I move so fast
How could you be with me?

But my heart beats slow
But my heart beats slow
But my heart beats slow
But my heart beats slow

Well, I wish you, wish you well
All the best
Well, I wish you, I wish you well
All the best

No, he won't let it into the kitchen
No, he won't let it into the house
No, he won't let it through the front door
'Cause it's burning her pretty little heart

You said I move so fast
That you can hardly see
You said I move so fast
How could you be with me?

But my heart beats slow
But my heart beats slow
But my heart beats slow
But my heart beats slow
