

# Lonely Hands

Angus & Julia Stone

I bit my tongue in the arc of conversation  
I met you once and I've fallen for your notion  
Do you believe that there's treasures in the ocean?  
I don't know why, I don't know why

God....  
You make me wanna feel  
Things....  
I've never felt before  
God....  
You make me wanna feel

Did I say I'm just a boy?  
Did I say I'm just a boy?

Oh lonely hands grab my suitcase full of nothing  
I don't know why, I don't know why  
You took me here and gave me something to believe in  
I don't know why, I don't know why

God....  
You make me wanna feel  
Things....  
I've never felt before  
God....  
You make me wanna feel

Did I say I'm just a boy?  
Did I say I'm just a boy?  
Did I say I'm just a boy?  
Did I say I'm just a boy....
