

# Sleep Alone

Angus & Julia Stone

Stay late  
Are you going home  
In the back yard  
I'm still holding on  
Lots of twisted lights  
Don't make me sleep alone  
Like dust  
It rises up

Stay for the night  
Then you're gone

In the moonlight  
And I'm a right state  
You're a flower girl  
You want to play a game  
Come here my rose  
It's so easy to do  
When the stars are down  
I got the best of you

Stay for the night  
Then you're gone  
(Don't make me sleep alone)  
Stay for the night  
Then you're gone

Stay for the night  
Then you're gone  
(Don't make me sleep alone)

Did I offend you  
Can you turn it round  
I played a bad hand  
With your white jacket on  
Yeah the nights when  
You wanna play a game

Don't sleep alone  
You know it's all the same  
Don't sleep alone  
You know it's all the same  
Don't make me sleep alone  
You know it's all the same

Stay for the night  
Then you're gone

Stay for the night  
Then you're gone

Don't make me sleep alone

And we could stay forever  
And we could stay forever

Are you waiting now for love to

Come down here and find you  
(Don't make me sleep alone)  
Then you're gone  
(Don't make me sleep alone)  
(Don't make me sleep alone)  
Then you're gone  
(Don't make me sleep alone)  
(Don't make me sleep alone)  
Then you're gone  
(Don't make me sleep alone)  
(Don't make me sleep alone)
