

# Ain't That The Way

Ani DiFranco

I love you and you love me  
And ain't that that way it's supposed to be?  
I swing my stick legs 'round from the root  
And I pile drive each foot into a platform boot.  
And I'm up and I'm out cuz I'm bouncing off the walls.  
And I come when you call and you call.  
I got a super cute three piece suit.  
One piece for your body.  
One piece for your smile.  
One more little piece if you stay a while.  
Yeah, cuz I love you and you love me.  
Ain't that the way it's supposed to be?  
I gotta beeline double time.  
Leave my home sweet home for your honeycomb.  
Then I show up steady ready and proud and I find I've forgotten  
how to talk out loud.  
Isn't it just like you to bring me to my knees in my brand new  
stockings  
While the cat is out with my tongue.  
Isn't it just like you to bring me to my knees in my brand new  
stockings.  
Love makes me feel so dumb.  
Cuz I love you and you love me and ain't that the way it's supposed to be?  
Yeah, cuz I love you and you love the me.  
Ain't that the way it's supposed to be?
