

# Lost In Music

Anita Lane

We're lost in music  
Caught in a trap  
There's no turning back  
We're lost in music

We're lost in music  
I feel so alive  
I quit my 9 to 5  
We're lost in music

Have you ever seen  
Some people who's everything  
Fits the girl with their mind  
Responsibility, to me, it's a tragedy  
I'll get a job some other time

I wanna join a band,  
Play in front of crazy fans  
Yes, call that temptation  
Give me the melody  
That's all that I'll ever need  
The music is my salvation

We're lost in music  
Caught in a trap  
There's no turning back  
We're lost in music

We're lost in music  
I feel so alive  
I quit my 9 to 5  
We're lost in music

In the spotlight  
the band gets so very tight  
each and every nite  
it's their vanity  
To me it's my sanity  
I could never survive

Some people ask me  
What are ya gonna be?  
Whay don't you go get a job?  
All that I can say  
I won't give up my music  
I mean not now, later (...)

We're lost in music  
Caught in a trap  
There's no turning back  
We're lost in music

We're lost in music  
I feel so alive  
I quit my 9 to 5  
We're lost in music

We're lost in music  
Caught in a trap  
There's no turning back  
We're lost in music

We're lost in music  
I feel so alive  
I quit my 9 to 5  
We're lost in music

We're lost in music  
Caught in a trap  
There's no turning back  
We're lost in music

We're lost in music...
