

Picture of Mary

Anita Lane

Old man where have you been?
"Oh I was strange back when I was waiting"
And he stares
Out the window
And he shines
And the moon shines
And someone's sun shines
Somewhere
"I used to feel saved when I brushed my mothers hair"
"Now I'm found"
"This picture of Mary"
Old man what are you afraid of?
"Seeing. People seeing"
Well what do you believe in
"Seeing. People seeing"
People seeing
My picture
Of Mary
"Don't be alarmed"
Madness is just a voice
And he described
A beautiful world
In the dust
On the window ledge
With the edge
Of his picture
Of Mary
And he stares
And he shines
And the moon shines
And someone's sun shines
Somewhere.
