Close To You

Anita Meyer

Why do birds Suddenly appear? Everytime you are near Just like me They long to be Close to you

Why do stars Fall down from the sky? Everytime you walk by Just like me They long to be Close to you

On the day that you were born The angels got together and decided To create a dream come true So they sprinkled moondust in your hair Of gold and starlight in your eyes of blue

That is why all the girls in town Follow you all around Just like me They long to be Close to you

Just like me They long to be Close to you Woo... close to you...
