

Ain't This A Wonderful Day?

Anita O'Day

Life is a pleasure that you can measure
And hear what the birds have to say.
I heard a bluebird passin' the good word:
Ain't this a wonderful day?

While I was dreamin' in the shade of a tree,
And list'ning to their song,
I understood and I put it in words,
And you can help to pass it along.

Look on the bright side 'cause it's the right side.
Stay in the sun while you may.
I heard a bluebird passin' the good word:
Ain't this a wonderful day?
