From this moment on, You for me dear, Only two for tea dear, From this moment on,

From this happy day,
No more blue songs,
Only hoop-de-doo songs,
From this moment on

You've got the love I need so much
Got the skin I love to touch
Got the arms to hold me tight
Got the sweet lips to kiss me goodnight

From this moment on You and I babe We'll be ridin' high babe Every care is gone From this moment on.

You've got the love I need so much
Got the skin I love to touch
Got the arms to hold me tight
Got the sweet lips to kiss me goodnight

From this moment on You and I babe We'll be ridin' high babe Every care is gone From this moment, From this moment, This very moment, This moment on.
