

I Used To Be Color Blind

Anita O'Day

I used to be color-blind
But I met you and now I find
There's green in the grass
There's gold in the moon
There's blue in the skies

That semi-circle that was always hanging about
Is not a storm cloud, it's a rainbow
And you brought the colors out

Believe me it's really true
Till I met you I never knew
A setting sun could paint such beautiful skies

I never knew there were such lovely colors
And the big surprise
Is the red in your cheeks
The gold in your hair
The blue in your eyes
