

'S Wonderful / They Can't Take That Away From Me

Anita O'Day

'S wonderful, 's marvellous, that you should care for me
'S awful nice, 's paradise, 's what I love to see

You made my life so glamorous; you can't blame me for feeling amorous
'S wonderful, 's marvelous, that you should care for me

C'est magnifique, 't is what I seek, that you should care for me
C'est elegant, 't is what I want, 't is what I long to see

My dear, it's four leaf clover time, from now on my heart's working overtime
'S exceptional, no bagatelle, that you should care for me

...

Our romance won't end on a sorrowful note,
Though by tomorrow you're gone;
The song is ended, but as the songwriter wrote,
The melody lingers on.
They may take you from me, I'll miss your fond caress.
But though they take you from me, I'll still possess.

The way you wear your hat
The way you sip your tea
The memory of all that
No, no, they can't take that away from me

The way your smile just beams
The way you sing off key
The way you haunt my dreams
No, no, they can't take that away from me

We may never, never meet again
On the bumpy road to love
Still, I'll always, always keep the memory of

The way you hold your knife
The way we danced till three
The way you changed my life
No, no, they can't take that away from me
No, they can't take that away from me

We may never, never meet again
On the bumpy road to love
Still, I'll always, always keep the memory of

The way you hold your knife
The way we danced till three
The way you changed my life
No, no, they can't take that away from me
No, they can't take that away from me
Can't take that away
Can't take that away from me
