

## Some Other Spring

Anita O'Day

Some other spring  
I'll try to love  
Now I still cling  
To faded blossoms

Fresh when worn  
Left crushed and torn  
Like the love affair I mourn

Some other spring  
When twilight falls  
Will the nights bring  
Another to me?

Not your kind  
But let me find  
It's not true that love is blind

Sunshine's around me  
But deep in my heart it's cold as ice  
Love, once you've found me  
But can that story unfold twice?

Some other spring  
Will my heart awake?  
Stirring to sing  
Love's magic music

Then forget the old duet  
And love with some other spring

Sunshine's around me  
But deep in my heart it's cold as ice  
Love, once you've found me  
But can that story be told twice?

Some other spring  
Will my heart awake?  
Stirring to sing  
Love's magic music

Then forget the old duet  
And love with some other spring
