

You Came A Long Way From St. Louis

Anita O'Day

You came a long way from St. Louis, you climbed the ladder of success,
I've seen the town and country cars that were parked out in front of your fancy address.
You came a long way from St. Louis, you broke a lotta hearts between,

I've seen a gang of gloomy gals who were doing alright till you came on the scene.
You came here from the middle west, and certainly impressed the population hereabouts.
Well, baby, I got news for you, I'm from Missouri too.

So natcherly I got my doubts, you got `em dropping by the wayside,
A feeling I ain't gonna know.
You came a long way from St. Louis, but baby, you still got a long way to go.
