

# Magnetic

Anjulie

See you running through my daydreams  
Come on up and save me when I'm alone  
Got me throwing all my rules out  
Swinging from the rooftops, this can't be wrong

Your touch is so magnetic, oh-oh  
You take me high [?], oh-oh

Got me pulling off the highway  
Sweating on a Sunday  
Just thinking of  
All the ways I wanna try you  
Things I'm gonna buy you

Your kiss is so magnetic, oh-oh  
Come through, you won't regret it, oh-oh-oh

Sweating on a Sunday  
Got me pulling off the highway  
Sweating on a Sunday  
Sweating on a Sunday  
Got me pulling off the highway  
Sweating on a Sunday

Got me looking for a reason  
Something to believe in  
Show me a sign  
Got me writing all these new songs  
Go and keep the loop on  
I'm in a vibe

Your touch is so magnetic, oh-oh  
You take me high [?], oh-oh

Sweating on a Sunday  
Got me pulling off the highway  
Sweating on a Sunday  
Sweating on a Sunday  
Got me pulling off the highway  
Sweating on a Sunday
