

# Baby Won't You Please Come Home

Ann-Margret

Baby won't you please come home  
'Cause your honey's all alone  
I have tried in vain  
Never no more to call your name  
When you left you broke my heart

'Cause I never thought we'd part  
Every hour of the day  
You will hear me say  
Baby won't you please come home

Baby won't you please come home  
'Cause your mama's all alone  
I have tried in vain  
Never no more to call your name

When you left you broke my heart  
'Cause I never thought we'd part  
Every hour in the day  
You can hear me say

Baby won't you please come home, come home  
Baby won't you please come home

Baby won't you please come on home  
'Cause your mama's all alone  
I have tried in vain  
Never no more to call your sweet little name

Oh when you left you broke my heart  
'Cause I never thought we'd part  
Every hour in the day  
You can hear me say

Baby, oh won't you please  
Please come on home
