

I Pity The Fool

Ann Peebles

I pity the fool
Yeah, I pity the fool

That falls in love with you
And expects you to be true
That's why I pity that fool

Look at the people
I know you wonder what they're doing
They're just standing there
Watching you make a fool of me

Oh, I pity the fool
Yeah, I pity the fool
Hey, I pity the fool
I pity the fool that falls in love with you

He'll break your heart one day
And he'll laugh and go on his way
That's why I pity that fool

I pity the fool
I pity the fool that gives her heart to you

He'll take her heart away
And he'll find another fool to play
That's why I pity that fool
