Part Time Love

Ann Peebles

I need somebody Who's consistent with me Someone already there When I need company

'Cause when I'm feeling old I don't wanna have to go I'm looking for A part time kinda love

And when the dreams and rainbows Start to disappear I don't want somebody Up and running out of here

'Cause when you stop and start Baby, it's just Too hard upon my heart That part time kinda love

I can't take you, darling Living here, wait and see I want somebody who's Committed now to me

Somewhere, some day You've got to take a chance You can write the music, baby Get up and dance

If we grow together Daring to dream I know we're gonna find Our share of peaches and cream

And when the juice is flowing I don't want no, no, no excuses Just want your full time love for me (No part time love for me) Just want your full time love for me
