

## Are you ready

Anna Abreu

Are you ready, are you ready,  
Are you ready for me, are you ready  
Let's go

Pull up to the club we don't walk just stride  
We know how to sell it all the fellas say hi  
Here with all the people that we're meeting inside  
It's gonna be our night, it's gonna be our night  
When I hear he dance floor kickin' that groove  
DJ's got the beat to make your body go oooh  
Everybody's checkin' as I start to move  
It's gonna be our night, it's gonna be our night

Are you ready, are you ready,  
Are you ready for me, are you ready  
Let's go

If you come to party and you're feelin' naughty  
When you shake your body, go "oh, oh, oh"  
If your hands are dirty and you're feelin' flirty  
Then take off your shirt and go "oh, oh, oh"  
As the club is shakin' and the floors vibratin'  
Everybody's saying "oh, oh, oh"  
So, if you're ready for me, come and sing it with me  
If you feel me, go "oh, oh, oh"

Sexy senorita shakin' on by  
Comin' on to you with my slither and my slide  
My whole body's moving  
And my hips are on fire, I got what  
You want what you've always desired  
Feelin' sensations outta control  
Can you feel the beat as it rips your soul  
Everybody's freakin', it's the weekend "oh, oh"  
It's gonna be our night, it's gonna be our night

Are you ready, are you ready,  
Are you ready for me, are you ready  
Let's go

If you come to party and you're feelin' naughty  
When you shake your body, go "oh, oh, oh"  
If your hands are dirty and you're feelin' flirty  
Then take off your shirt and go "oh, oh, oh"  
As the club is shakin' and the floors vibratin'  
Everybody's saying "oh, oh, oh"  
So, if you're ready for me, come and sing it with me  
If you feel me, go "oh, oh, oh"

Keep your body movin'  
Keep your hot body groovin'  
There's nothing to be losin'  
Keep your hands on me

Are you ready, are you ready,  
Are you ready for me, are you ready  
Let's go
