

Like a Boxer

Anna Abreu

Girls hanging on the right bat
She's holding that dreams on, the ride wine in, the nbn
Will help me don't fall asleep cuz you keep hiding your secret
And I keep digging this bullets to help you change

But this too much, won't go away
I'mma hit your ego hard like a boxer
Fight your ignorance like a boxer
I feel I go cuz we already gone
I will handle you like a boxer

All the monsters that you hide in your brain
Have taking over you, got hooked on lies just like cocaine
And is hard to heal with words
Cuz you keep hiding your secrets

And I just roll this one checks
And it's time to make a change cuz these demons woon't go way
I'mma hit your ego hard like a boxer
Fight you just like a boxer

I feel I go cuz we already gone
I will handle you like a boxer
I gonna surpinde you and ean you behind
We can keep this up anymore
I'mma hit your ego hard like a boxer

Fight you ignorance like a boxer
I feel I go cuz we already gone
I will handle you like a boxer
I feel we're away cuz we already gone
