

# Oh Oh

Anna Abreu

Don't just say it, do that one  
I was built to have some fun  
Oh, yeah, it's on  
Oh, yeah, it's on  
I'm 'bout the fun

Oh, oh  
Come and turn me inside out  
Crash your car into my house  
Don't be crying, let's be loud  
And let's do oh, oh

Don't be scared 'cause I'm not cruel  
Oh, oh  
Let's do what we're born to do  
Oh, oh

Every time you call, every time you're home  
Every time we like na, na, na, na  
Let's make noises together now

Don't be scared 'cause I'm not cruel  
Oh, oh  
I want you to stay, I want you to stay so we can  
Oh, oh

First out fast and then you're slow  
You go dance all drinkable  
I'll take you down, I'll take you down  
Let's hit the ground

And now you tell me that I'm beautiful  
The less you say the more I know  
Do your thing and make me oh  
And do it now, now

Don't be scared 'cause I'm not cruel  
Oh, oh  
Let's do what we're born to do  
Oh, oh

Every time you call, every time you're home  
Every time we like na, na, na, na  
Let's make noises together now

Don't be scared 'cause I'm not cruel  
Oh, oh  
I want you to stay, I want you to stay so we can  
Oh, oh

Don't be scared 'cause I'm not cruel  
Let's just do the things we're born to do
