

You Don't Get Me

Anna Abreu

Hey you, your moves are real smooth
You've got style and you think you're cool
Hey you, your world revolves around you
But can't you see you're only singing my tunes

Hey you, you laugh at my jokes
But you can't even tell who they are on
The love you see in my eyes
Is just a reflection of your own

No matter what you say
No matter what you do
No matter how you play
No matter how you woo

You won't get me
Because you don't get me
At all

Hey you, when you open your mouth
You're a true master of platitudes
Hey you, your feeble words won't fool me
'Cos I am a girl with an attitude

Hey you, you've shown me all you got (it's not a lot!)
Trust me, I've seen more than enough, please
Do yourself a favour, vanish
Before the times get rough

No matter what you say
No matter what you do
No matter how you play
No matter how you woo

You won't get me
Because you don't get me
At all

Take a look in the mirror and what do you see
Is the face staring back really worthy of me
Well, I've got news for you, boy
Yeah, I've got news for you, boy
I will never ever be your toy

No matter what you say
No matter what you do
No matter how you play
No matter how you woo

You won't get me
Because you don't get me
At all
