

# You're A Mystery

Anna Graceman

(Verse 1)

Days have gone past,  
But here you are still  
You've pushed me too far,  
I've had no time to heal  
It's just a charade  
That game you play  
Are we real, or just a masquerade?

(Chorus)

Cannot understand  
Who's behind this mask  
You're a mystery in disguise,  
You've been telling me so many lies.  
To be or not to be,  
That's the question now  
Am I anything at all?  
I curtsy and you bow

Yeahh ohhhh

What aren't you telling me?  
What is to hide?  
What are you really like,  
What is inside?  
I feel like the puzzle piece that doesn't fit in,  
I lose and I lose  
There's no room to win.

Ohhh

Cannot understand  
Who's behind this mask  
You're a mystery in disguise,  
You've been telling me so many lies.  
To be or not to be,  
That's the question now  
Am I anything at all?  
I curtsy and you bow

I dreamt that everything  
Would go like we planned  
And now together we would stand, hand in hand  
I wished upon your star  
Oh I didn't plan on falling apart

Cannot understand  
Who's behind this mask  
You're a mystery in disguise,  
You've been telling me so many lies.  
To be or not to be,  
That's the question now  
Am I anything at all?

Who's behind this mask?  
Whoaaa  
I curtsy and you bow

I curtsy and you bow
