

## Playing Games

Anna of the North

I've been playing games with your heart  
To keep you close when we're apart  
Make you jealous so I know  
I still got you when I'm not home

I've been playing games with your heart  
Left you thinking in the dark  
Just to make you feel unsure  
Then I know you want me more

If it's hard, and hard, and hard  
Then it's working, working, working  
Oh my God (God)

I've been playing games with your heart  
So I know I left my mark  
And I know when I'm not around  
You thinking of me feeling down

If it's hard, and hard, and hard  
Then it's working, working, working  
Oh I'm sorry, sorry, sorry  
Oh I'm sorry, sorry, sorry  
If it's hard, and hard, and hard  
Then it's working, working, working  
Oh my God

So I'm sorry for lettin' you chase me like you always do  
And you worry 'bout I how I feel about you too  
To know if I want you  
I don't want you, to be with someone new  
So I'm sorry, I'm sorry

I've been playing games with your heart  
I've been playing games with your heart  
I've been playing games with your heart  
I've been playing games with your heart  
I've been playing games with your heart  
I've been playing games with your heart  
I've been playing games with your heart  
I've been playing games with your heart

If it's hard, and hard, and hard  
Then it's working, working, working  
Oh my God
