Do you understand?  
Do you get it now?  
Are you kidding me?

Without thinking about it  
Without running away  
I can't handle this  
I can't stand it

I'm so tired of you

I'm disgusted with you  
I'm not sucking up to you  
I'm not good enough for you

I'm not stupid like you  
I'm leaving it to you  
I'm just done talking with you  
I'm really sorry that I hurt you
