

Ride, Ride

Anne Briggs

Railroad, Railroad
Railroad bill
ain't never worked
and you know he never will
riding the roads with railroad bill

.44 pistol, long as your arm
carried that damn gun, you didn't mean no harm
riding the roads with railroad bill

railroad bill got a \$40 bill
took all the boys on a trip to mobile
riding the roads with railroad bill

railroad bill found a woman down the line
now that lady's living pretty and fine
riding the roads with railroad bill

Railroad, Railroad
Railroad bill
ain't never worked
and you know he never will
riding the roads with railroad bill

railroad bill got a ticket for his last ride
boys came from miles around to stand by his side
they'll ride no more with railroad bill

Railroad, Railroad
Railroad bill
ain't never worked
and you know he never will
riding the roads with railroad bill

Railroad, Railroad
Railroad bill
ain't never worked
and you know he never will
riding the roads with railroad bill

.44 pistol, long as your arm
carried that damn gun, you didn't mean no harm
riding the roads with railroad bill
