

# Step Right Up

Anne Briggs

Please aim slow, I know  
It's not like you to take the fall  
For anyone but yourself

Let me show you a world  
That you've never seen  
Let me help you unveil  
What you've been missing  
There is no time to wait  
When you find love you can't hesitate

Step right up  
Shoot an arrow at the target  
My heart is an easy thing for you to hit  
Don't worry if you miss I'll let you shoot again  
My heart is an easy thing for you to win

Whoa you know you did it again  
And everytime I hear your voice  
Well you know I have no choice  
But to let you in  
Life is short don't pretend

Let me show you a world  
That you've never seen  
Let me help you unveil  
What you've been missing  
There is no time to wait  
When you find love you can't hesitate

Step right up  
Shoot an arrow at the target  
My heart is an easy thing for you to hit  
Don't worry if you miss I'll let you shoot again  
My heart is an easy thing for you to win

Please aim slow  
Oh what could I say to you  
To let you know everyday I am grateful  
I wish I could turn back time or make it rewind  
I would find you when we were younger  
So we could spend our time on earth together longer

Step right up  
Shoot an arrow at the target  
My heart is an easy thing for you to hit  
Don't worry if you miss I'll let you shoot again  
My heart is an easy thing for you to win

Whoa, step right up again  
When you find love you can't hesitate  
Whoa, step right up again  
My heart is aching I can barely wait
