Bows and flows of angel hair And ice cream castles in the air And feather canyons everywhere I've looked at clouds that way

But now they only hide the sun They rain and snow on everyone So many things I might have done But clouds got in my way

I've looked at clouds from both sides now
From up and down, and still somehow
It's clouds' illusions I recall
I really don't know clouds at all

Moons and Junes and Ferris wheels The dizzy dancing way you feel When every fairy tale comes real I've looked at love that way

But now it's just another show You leave them laughing when you go And if you care, don't let them know Don't give yourself away

I've looked at love from both sides now From win and lose, and still somehow It's love's illusions I recall I really don't know love at all

Tears and fears and feeling proud
To say I love you, right out loud
Dreams and schemes and circus crowds
I've looked at life that way

But now all my friends are acting strange They shake their heads, they say I've changed Well something's lost, and something's gained In living every day

I've looked at life from both sides now From win and lose, and still somehow It's life's illusions I recall I really don't know life at all
