

Part Time Love

Anne Murray

I need somebody who's consistent with me
Someone already there when I need company
Cause when I'm feeling low
I don't want to have to go out looking
For a part-time kind of love

And when the dreams and rainbows start to disappear
Don't want somebody up and running out here
Cause when you stop and start
Baby it's just too hard upon my heart
That part-time kind of love

And I can't take you darling living here wait and see
I want somebody who's committed now to me
Somewhere, someday you'll have to take a chance
So if you like the music, baby, get up and dance

And if we grow together daring to dream
I know we'll find our shares of peaches and cream
And when the juices flow
I don't want no no no excuses
Just want your full time love for me
Just want your full time love for me
