

# Teach Me Tonight

Anne Murray

Did you say (that) I've got a lot to learn, well don't think I'm  
trying not to learn  
Since this is the perfect spot to learn, teach me tonight  
Starting with the ABC of it, getting right down to the XYZ of  
it  
Help me solve the mystery of it, teach me tonight  
The sky's a blackboard high above you, and if a shooting star  
goes by  
I'll use that star to write "I love you", a thousand times  
across the sky  
One thing isn't very clear my love, teachers shouldn't stand so  
near my love  
Graduation's almost here my love, you'd better teach me  
tonight  
I've played loves scenes in a flick or two, and I've also met a  
chick or two  
But I still can learn a trick or two, hey teach me tonight  
I who thought I knew the score of it, kind of think I should  
know much more of it  
Off the wall, the bed, the floor of it, hey teach me tonight  
The midnight hours come slowly creeping when there's no one  
there but you  
There must be more to life than sleeping single in a bed for  
two  
What I need most is post graduate, what I feel is hard to  
articulate  
If you want me to matriculate, you'd better teach me tonight  
What do you get for lessons, teach me - come on and teach me -  
teach me tonight
