

# That's Not the Way (It's S'posed to Be)

Anne Murray

Ask no questions  
Leave no clues  
Just close the door behind you  
When you leave this place  
You don't know my name

We'll, I'm lying low, but I'm running scared  
There's a feeling here  
I wasn't prepared for  
Meeting you, honey, it seems so strange

No, no, no  
That's not the way it's s'posed to be  
You're not s'posed to get to me  
Oh, I close my eyes  
And I don't want to miss this dream  
This dream

I've always played hard to get  
Now I want you to go, but don't leave yet  
There's a lot of lonely just outside my door

I want to go  
Want to hide  
I want your love and I don't know why  
Playing hard to get  
Just doesn't work anymore

No, no, no  
That's not the way it's s'posed to be  
No, you're not s'posed to get to me  
Oh, I say I love you  
But I don't know what it means

No, no, no  
That's not the way it's s'posed to feel  
No, so good  
Too good to be real  
Oh, I close my eyes  
And I don't want to miss this dream  
There always was a ending  
Me, always me pretending a heart couldn't break  
And no one could take my love a live  
And here you are  
Oh, why?  
Oh, why?  
Oh, why?

No, that's not the way it's s'posed to be  
No, you're not s'posed to get to me  
No, that's not the way it's s'posed to be  
No, you're not s'posed to get to me  
No, that's not the way it's s'posed to be  
No, you're not s'posed to get to me  
No, that's not the way
