

# Together

**Anne Murray**

We strolled the lane together  
Laughed at the rain together  
Sang loves refrain together  
You knew long ago that our love would grow

Through storm and sun together  
Our hearts as one together  
You're gone from me but in my memory  
We always will be together

We strolled the lane together  
Laughed at the rain together  
Sang loves refrain together  
And we both pretend it would never end

One day we cried together  
Cast love aside forever  
You're gone from me but in my memory  
We always will be together
