

# You've Got What It Takes

Anne Murray

You don't drive a big fast car  
And you don't look like a movie star  
And on your money  
We won't get far

But baby, you got what it takes  
(Yeah, yeah)  
To satisfy  
(Yeah, yeah)

You got what it takes to set my soul on fire  
(Yeah yeah, yeah yeah)  
And whoaaa, whoa-yeah  
You got what it takes for me

You don't live in a beautiful place  
And you don't dress with the best of taste  
And nature didn't give you  
Such a beautiful face

But baby, you got what it takes  
(Yeah, yeah)  
To satisfy  
(Yeah, yeah)

You got what it takes to set my soul on fire  
(Yeah yeah, yeah yeah)  
And whoaaa, whoa-yeah  
You got what it takes for me

And when you're near me, ooh-wee  
My head goes around and around  
And when you kiss me, whoa-yeah  
My love comes tumblin' down, you send me

You don't live in a beautiful place  
And you don't dress with the best of taste  
And nature didn't give you  
Such a beautiful face

But baby, you got what it takes  
(Yeah, yeah)  
To satisfy  
(Yeah, yeah)

You got what it takes to set my soul on fire  
(Yeah yeah, yeah yeah)  
And whoaaa, whoa-yeah  
You got what it takes for me

And when you're near me, ooh-wee  
My head goes around and around  
And when you kiss me, whoa-yeah  
My love comes tumblin' down, you send me

You don't live in a beautiful place  
And you don't dress with the best of taste

And nature didn't give you  
Such a beautiful face

But baby, you got what it takes  
(Yeah, yeah)  
To satisfy  
(Yeah, yeah)

You got what it takes to set my soul on fire  
(Yeah yeah, yeah yeah)  
And whoaaa, whoa-yeah  
You got what it takes for me

Whoa-yeah  
You got what it takes for me  
Hmm  
You got what it takes for me

No need no  
If I close  
But you got what it takes for me  
Hmm, you got what it takes for me
