Come Wander With Me

Anneke van Giersbergen

He said
Come wander with me, Love
Come wander with me
Away from this sad world
Come wander with me

He came from the sunset He came from the sea He came from my sorrow And can love only me

Oh where is the wanderer Who wandered this way He's passed on his wandering And will never go away

He sang of a sweet love
Of dreams that would be
But I was sworn to another
And could never be free
