

# Drive

Anneke van Giersbergen

Eh-eh-oh, eh-eh-oh.

Eh-eh-oh, eh-eh-oh.

Some gas is on. I'm driving.

I am in control under fifty miles an hour.

I don't mind the speed, no, but I've got my demons.

I am in control: call that human power.

I will walk there,

Eh-oh, eh-eh-eh-oh.

Is there anybody out there?

Eh-oh, eh-eh-eh-oh.

And I only want to drive,

Want to go far, far away.

I only know that I,

I'm alone, I'm leaving today.

Eh-eh-oh, eh-eh-oh.

And I only want to drive and move on.

Got no brakes, I'm flying,

Never losing control, moving at the speed of light.

Exactly what I need, oh, and I don't need no sleep, no,

'Cause I am in control and I will never stop.

I will walk there,

Eh-oh, eh-eh-eh-oh.

Is there anybody out there?

Eh-oh, eh-eh-eh-oh.

And I only want to drive,

Want to go far, far away.

I only know that I,

I'm alone, I'm leaving today.

Eh-eh-oh, eh-eh-oh.

And I only want to drive and move on.

Eh-eh-oh, eh-eh-oh.

Never looking back, never looking back,

Never looking back, never looking back.

Want to go far, far away.

I only know that I,

I'm alone, I'm leaving today.

Eh-eh-oh, eh-eh-oh.

(Never looking back, never looking back.)

And I only want to drive and move on.

(Never looking back, never looking back.)

Eh-eh-oh.
