

# Honestly

Annie Lennox

The beauty that you gave  
Has turned upon itself  
And all the things you said  
Evaporated  
Evaporated ...  
Was I blind  
Deaf and dumb  
To the words slipped from yur tongue?

Honestly ... honestly ... honestly  
Alone in my bed  
The things that you said  
Go round in my head ... still  
It seems to be true  
That nothin' I do  
Can influence you ...

I tried and tried again  
(Don't you know I tried and tried again  
To make you listen to me  
But everything I said it always seemed to go right through you)  
To make you notice me  
(I turned myself into a person that I didn't like  
But please believe me when I say I know it wasn't right)  
But talking to myself  
(I never thought that things would  
Get to be so complicated  
I never thought that you and me would end up o frustrated)  
Won't catch you attention I see ...  
(You'd think that something had to come from all those good intentions  
But in the end I needed something more than intervention)

Was I mad?  
Was I ... mad?  
Foolish me  
Foolish ... me  
To succumb so easily  
To suc...cumb  
Easi...ly  
So easily  
So easily

Honestly... honestly... honestly...  
(Alone in my bed  
The things that you said  
Go round in my head ... still  
It seems to be true  
That nothin' I do  
Can influence you... still)

Fools like me get so easily taken  
And fools like me can be so mistaken

Honestly... Honestly... Honestly

The promise that you gave  
(Don't you know the promise that you

Gave just turned it's back upon me  
I stopped believing but you couldn't take the whole thing from me)  
Has turned it's back  
(I never thought I'd have to pay the price to set you free)  
And all you represented  
Was just my projection you see...  
(You know I never thought I'd ever  
Live a day without you  
And that's the reason why  
It makes me sad to think about you  
And you know I never thought  
I'd make it if you wasn't there  
And now I'm tryin' to eject myself  
From this despair)

People come  
People go...  
Never say I "told you so"  
Honestly

Everything I know you said  
Goin' round inside my head

Never thought I'd see the day  
Always got a price to pay

Nothin' that I ever do  
Ever seems to get to you
