I Can't Get Next to You

Annie Lennox

I can turn the grey sky blue And I can make it rain whenever I want it to And I can build a castle from a single grain of sand And I can make a ship sail on dry land But my life is incomplete and I'm so blue 'Cause I can't get next to you

I can't get next to you, babe I can't get next to you I can't get next to you, babe I can't get next to you

I can fly like a bird in the sky I can buy anything that money can buy I can turn a river into a raging fire I can live forever if I so desire But I don't want it all these things I can do 'Cause I can't get next to you

I can't get next to you, babe I can't get next to you I can't get next to you, babe I can't get next to you

I can turn back the hands of time - you better believe I can I can make the seasons change just by the wave of my hand I can change anything from one to two The thing I wanna do the most I'm unable to do I'm an unhappy woman with all the powers I possess 'Cause man you're the key to my happiness 'Cause I can't get to next to you

Ooh you're blowin' my mind 'Cause I can't get next to you Can't you see these tears I'm cryin' I can't get next to you Oh it's you that I need I gotta get next to you Can't you see these tears I'm cryin' Can't get next to you

I, I, I, I, I, I, I can't get next to you I, I, I, I, I, I, I can't get next to you
