

# Into The West

Annie Lennox

**C G**  
Lay down  
**Dm Am**  
Your sweet and weary head  
**C G**  
Night is falling,  
**Dm Am Am**  
You have come to journey's end

**C G**  
Sleep now,  
**Dm Am**  
And dream of the ones who came before  
**C G**  
They are calling  
**Dm Am**  
From across the distant shore

**Am C**  
Why do you weep  
**F G Am**  
What are these tears upon your face  
**C**  
Soon you will see  
**F G Am**  
All of your fears will pass away  
**C**  
Safe in my arms  
**Dm G**  
You're only sleeping

**C**  
What can you see  
**F**  
On the horizon  
**C G**  
Why do the white gulls call  
**C**  
Across the sea  
**F**  
A pale moon rises  
**C G**  
The ships have come to carry you home

**Am Em**  
Dawn will turn  
**Dm G**  
To silver glass  
**Am C**  
A light on the water  
**F G**  
All souls pass

**C G**  
Hope fades  
**Dm Am**  
Into the world of night

**C** **G**  
 Through shadows falling  
**Dm** **Am**  
 Out of memory and time  
  
**C** **G**  
 Don't say  
**Dm** **Am**  
 We have come now to the end  
**C** **G**  
 White shores are calling  
**Dm** **Am**  
 You and I will meet again  
**C**  
 And you'll be here in my arms  
**G**  
 Just sleeping

**C**  
 What can you see  
**F**  
 On the horizon  
**C** **G**  
 Why do the white gulls call  
**C**  
 Across the sea  
**F**  
 A pale moon rises  
**C** **G**  
 The ships have come to carry you home

**Am** **Em**  
 And all will turn  
**Dm** **G**  
 To silver glass  
**Am** **C**  
 A light on the water  
**F** **G**  
 Grey ships pass  
**C**  
 Into the west
