

Everything Is Everything

Anthony David

Ooh, yay
Ooh, yeah
Ohhh
Can I talk to you, yeah

You seem like you're in a rush
Don't wanna take too much of your time
I don't usually do this
But I can't let this moment pass by
There's somethin' 'bout you
I'm just tryna think of a way
To make this couple of seconds
Extend into a lifetime

Don't you wanna play with me? (Just a little time)
Don't you wanna stay with me? (Hang around, stay a while)
Don't you be afraid of me (whatever you want)
Everything is everything is everything

I don't believe in coincidence
I only believe in what was meant
And this particular moment
Is everything I hoped for
I'm just gonna let it go
And let my feelin's flow
'Cause sugar, this ain't game
And everything I'm sayin' is a hundred percent real

Don't you wanna play with me? (Just a little time)
Don't you wanna stay with me? (Hang around, stay a while)
Don't you be afraid of me (whatever you want)
Everything is everything is everything

Walk it, baby, 'cross the stage
Walk it, baby, 'cross the stage
Walk it, baby, 'cross the stage
Walk it, baby, 'cross the stage
Walk it, baby, 'cross the stage
Walk it, baby, 'cross the stage
Walk it, baby, 'cross the stage
Walk it, baby, walk it, baby girl

Tell your girlfriends to hold off
This is important what's goin' down
Whatever ya rushin' off to
It will be there when you get there
But lightnin' never strikes twice
And it sho nuff struck tonight
So from here on out
We're just gonna go

Don't you wanna play with me? (Just a little time)
Don't you wanna stay with me? (Hang around, stay a while)
Don't you be afraid of me (whatever you want)
Everything is everything is everything

You oughta know what you're doin' to me

The most beautiful thing when you walk down the street
I don't know what to say I just want you to know
You're so cold, you're so cold
You oughta know what you're doin' to me
The most beautiful thing when you walk down the street
I don't know what to say I just want you to know
You're so cold, you're so cold

Don't you wanna play with me?
Don't you wanna stay with me?
Don't you be afraid of me
Everything is everything is everything
